STAT

MEMORANDUM FOR:

SUBJECT: Commendation

1. Senator Jackson has expressed to me his thanks for the papers prepared by this Agency for the Senate Subcommittee on National Policy Machinery, of which he is Chairman. Unclassified versions of these papers, on policy-making machinery in the USSR and in Communist China, have been released to the public under the aegis of the Subcommittee Staff, and have received extremely favorable comment in the economic world and in the press. I want to extend to you in turn my thanks for an outstanding job. Your contribution to this project attained the highest standard of professional performance and brought great credit upon this organization.

2. A copy of this memorandum is being placed in your personnel folder as a permanent record.
